

*Rebirth in Fire*—FOCUS FOR MEDIA INTERACTION 1

## ***PHOENIX RISING: REBIRTH IN FIRE***

Name \_\_\_\_\_

As you view Video Clip 1, complete the following:

1. Operationally define each of the vocabulary terms in one or more sentences each.
  - A.) Prescribed burn
  - B.) Wildfire
  - C.) Underbrush
  - D.) Crown Fire
  - E.) Fire Triangle (include its 3 components)
  
2. How do wildfire and prescribed burns differ?  
(Hint: Prescribed burns are sometimes called controlled burns.)
  
3. Describe how fire is used to re-establish or maintain ecosystems.
  
4. How can the success of a prescribed burn be determined?
  
5. Describe the relationship between fire and either the red-cockaded woodpecker or the yellow pitcher plant.
  
6. Explain why the title, *Rebirth in Fire*, is appropriate for this video.  
Your State Forestry Department wishes to create a new wildland resource management-education mascot. Your nominee, the Phoenix, has been selected as a finalist but, in order to win the big prize, you must convince the judges that the Phoenix is the best choice. In a few sentences, justify your choice.
