

Planning Sheet for Group Members

We plan to include the following sections in our brochure:

You will need 6 sections; the first one is required, follow teacher directions for other five.)

- * Title page showing a **picture** of the planet, its name, and a catchy phrase encouraging people to visit. **(required)**
Assigned to: _____
- * Paragraph describing diameter, distance from sun, distance from Earth, rotation period, revolution period, order from sun, etc. and a **picture** of the planet
Assigned to: _____
- * Paragraph describing the interior and surface of planet, including presence of craters, ridges, canyons, volcanoes, ice sheets, valleys, atmospheric conditions, temperatures, and a **picture** showing some of these characteristics
Assigned to: _____
- * Paragraph telling how planet was discovered, when, by whom, how it got its name, its planetary symbol, etc.
Assigned to: _____
- * Paragraph describing the satellites of the planet: how many, names of important ones, a picture description of a particular satellite that is well-known, and a **picture** of this satellite
Assigned to: _____
- * Paragraph telling why someone should visit this planet, what they should bring to be able to exist in the atmosphere or to get around on the planet, what sites they will really want to see, what dangers they can expect, etc.
Assigned to: _____
- * List of fast facts about planet
Assigned to: _____
- * Other interesting facts about planet not listed anywhere
Assigned to: _____

After each section is completed on the computer, the group member doing that particular section must write his/her name at the bottom of the brochure section to receive credit.
