

Woman

Your job is to record information about the daily life of a woman who remained home during the war and a woman involved in the war. Using researched information write three journal entries.

Reflection 1 – On a peaceful day, describe your daily routine.

Reflection 2 – On a battle day write about the dangers around you.

Reflection 3 – How were you involved in the war?

Who are you?

What are you famous for?

Daily routines and chores:

Dangers around you:

Where do you live?

Your journal entries will serve as journaling for the pages of our scrapbook.
